

Introduction:

The policy is designed to protect physical loss or damage to the project, plant, equipment and machinery arising during the erection or installation of such plant, machinery, equipment at the project site. Also provides liability for Third Party bodily injury or third party property damage arising out of these operations.

Who can avail of "Comprehensive Erection Insurance"?

This Policy is suitable for all kinds of Installation projects where the civil construction work is less than 50% of the project cost. For example, for projects involving the erection of equipment such as small pumps or electric motors, to major industrial units like power plants or manufacturing facilities. A general contractor, subcontractor, suppliers, and manufacturers of equipment can avail this Insurance.

What is the coverage under the policy?

There are two sections under the policy: -

Section I – Material Damage: Covers any sudden and unforeseen physical loss or damage to the property insured other than those specifically mentioned under the exclusions of the policy.

The Company will also reimburse the Insured for the cost of clearance and removal of debris following upon any event giving rise to an admissible claim under this Section of the policy.

Section II – Third Party - covers Bodily Injury and Property Damage of Third Party.

What is the Sum Insured in the Policy?

Sum Insured should not be less than the complete erected value of the property, inclusive of freights, customs duty, erection cost.

 - b. loss of or damage to property belonging to or held in care, custody or control of the Contractor (s), the Principal (s) or any other firm connected with the project, which or part of which is insured under section I, or an employee or workman of one of the aforesaid;
 - c. loss of or damage to any building, structure or land due or alleged to be due to vibration or withdrawal or weakening of support.
 - d. any accident caused by vehicles licensed for general road use or by waterborne vessels or aircraft;
 - e. any agreement by the Insured to pay any sum by way of indemnity or otherwise unless such liability would have attached also in the absence of such agreement.
 - f. injury (whether fatal or non-fatal), loss or damage which occurs during any Maintenance Period unless
 - i. arising from a cause which occurred during the Erection period, or
 - ii. caused by the Contractor in the course of any operations carried out by him for the purpose of complying with the Maintenance Clauses of the Contract

General Exclusions:

The Company will not indemnify the Insured in respect of loss, damage or liability directly or indirectly caused by or arising out of or aggravated by -

1. War, invasion, act of foreign enemy, hostilities or war like operations (whether war be declared or not), civil war, rebellion, revolution, insurrection, mutiny, civil commotion, military or usurped power, martial law, conspiracy, confiscation, commandeering a group of malicious persons or persons acting on behalf of or in connection with any political organisation, requisition or destruction or damage by order of any government de jure or de facto or by any public, municipal or local authority

2. loss, destruction, damage, cost or expense or liability of whatever nature directly or indirectly caused by or arising from or in consequence of or contributed to by any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to such loss, destruction, damage, cost or expense or liability.

For the purposes of this General Exception an act of terrorism means an act, including but not limited to the use of force or violence and/or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organization(s) or government(s), which from its nature or context is done for or in connection with political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public, or any section of the public, in fear.

This General Exception also applies to and serves to exclude loss, destruction, damage, cost or expense or liability of whatever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to any act of terrorism.

- 3.
- a. total or partial destruction, distortion, erasure, corruption, alteration, misinterpretation or misappropriation of ELECTRONIC DATA,
 - b. error in creating, amending, entering, deleting or using ELECTRONIC DATA, or
 - c. total or partial inability or failure to receive, send, access or use ELECTRONIC DATA for any time or at all, from any cause whatsoever, regardless of any other contributing cause or event whenever it may occur, nor any liability, cost or expense arising from or in any way related to any such event.

For the purposes of this policy ELECTRONIC DATA means facts, concepts and information converted to a form useable for communications, display, distribution, interpretation or processing by electronic and electromechanical data processing or electronically controlled equipment and includes programmes, software and other coded instructions for such equipment.

- d. however, in the event that a peril listed below (being a peril which but for this General Exception is insured by the Section of this policy under which any claim is made) is caused by any of the matters described in paragraph (a) above, then such Section of the policy, subject to all its provisions, shall not exclude physical loss or destruction of nor damage to the Property Insured under such Section of the policy directly caused by such listed peril.

Further, this exclusion does not apply in the event that a peril listed below (being a peril insured by any Section of this policy, but for this General Exception) causes any of the matters described in paragraph (a) above:

Fire, Explosion, Lightning, Windstorm, Hail, Tornado, Cyclone, Hurricane, Earthquake, Volcano, Tsunami, Flood, Freezing, Weight of Snow, Impact by Aircraft or other aerial objects dropped therefrom, Impact by any Road Vehicle or animal, bursting overflowing discharging or leaking of water tanks apparatus or pipes, or theft of Electronic Data solely where such Theft is accompanied by theft of the computer hardware, firmware, medium, microchip, integrated circuit or similar device containing such Electronic Data.

- c. In the event of any conflict between this General Exception 3, regarding electronic risks, and General Exception 2, regarding acts of terrorism, then the terms of General Exception 2, regarding acts of terrorism, will take precedence over the terms of this General Exception 3.
4. Nuclear reaction, nuclear radiation or radioactive contamination
5. Wilful act or wilful negligence of the Insured or of his responsible representative.
6. Cessation of work whether total or partial.

What is the duration of the policy?

The policy begins with the commencement of the construction of the Contract Works at the Contract Site, or with the first delivery to the Contract Site of any plant, machinery, equipment or materials for incorporation into the Contract Works (whichever happens first), and ending with the **Completion of the Contract**.

Completion of the Contract will be deemed to have occurred, in respect of the Contract Works or of any part thereof, on the earliest of the following dates:

- (a) immediately after the first test operation or test loading is concluded (whichever is earlier) but in no case beyond four weeks from the day on which after completion of erection a trial running is made and/or readiness for work is declared contractors, whichever is earlier. If however, one or several plant/s is/are tested and put into operation the cover and consequently the liability of the Company for that particular plant ceases whereas it continues for the remaining plants which are not yet ready
- (b) the date when such Contract Works or such part thereof are first taken into use or occupation by any principal.
- (c) the effective date of any certificate of completion issued to the Contractor by the principal in respect of such Contract Works or such part thereof.
- (d) after 12 months from the beginning of the Erection period, unless otherwise expressly agreed by endorsement to this policy.

Maintenance Period shall mean that period, not exceeding twelve months in duration unless otherwise expressly agreed by endorsement to this policy, immediately consecutive upon the relative Erection period, during which the Contractor has certain obligations arising under the Maintenance clauses of the Contract
